Kids Cooking Classes

We are looking forward to seeing your children in class, but before we do there are some guidelines we would like you to be familiar with.

- Doors open 15 minutes before class starts. Please be prompt as we will commence on time.
 - Morning - Doors open 10:00am. Class starts 10:15am. Class finishes 12:30pm
 - Afternoon - Doors open 1:45pm. Class starts 2:00pm. Class finishes 4:15pm
- There are a number of visitor parking bays down the driveway of 19 Ogilvie Road for drop off and pick up. Sorry we cannot offer free underground parking during the day. Paid parking on Ogilvie Road or park on other side of Canning Highway in Car Park on Kishhorn Road (close to corner of First Avenue) and walk across the footbridge.
- This class does not allow any spectators.
- Children must be minimum of 10 and maximum of 16 years of age. Height is also important – if your child can work at regular workbench height (60cm) in your kitchen at home they will be able to take part in these classes. For safety purposes, we cannot allow any stools in the kitchen to elevate children that are unable to reach bench height comfortably.
- Please ensure children wear closed in shoes, no thongs or sandals.
- Children are welcome to bring their own aprons. However, we do provide adjustable aprons in class.
- We will run through safety guidelines at the start of the course.
- This is a well organised cooking class, teaching the children real life-skill cooking techniques. Please be aware, sharp knives, ovens and hotplates will be used under close supervision.
- As this is a group cooking exercise, unfortunately we will not be able to accommodate dietary requirements apart from NUT ALLERGIES. There are no nuts used in these classes.
- Sorry, no take-aways as we are only licensed to cook food which is consumed on the premises.
- We would appreciate punctuality when collecting your children for our sake and theirs. Classes run for two and a quarter hours.

Included in each class:

- Two recipes, one savoury and one sweet will be prepared, cooked and eaten by the kids.
- A variety of foods will be tasted and discussed during class.
- Assisting with clearing up is part of the teaching in this class.
- Recipes will be provided on laminated full colour recipe cards.
- Supervision by two teachers and one other staff member with a maximum of 9 children per teacher.

Transfers and Cancellations

- These classes are live events, therefore we do have a strict but fair policy on transfers.
- If more than 7 days before class date, transfers can be organized with a \$20.00 fee.
- If less than 7 days before class date, please invite a friend to take your place.
- If for some reason the class is missed, we cannot guarantee a replacement class but will contact you *if* there is a spare spot in the next kids class (this may be in the next school holidays). The recipes will also be emailed to you.

Thank you for reading this information.
